Sign-in Sheet Consent

This consent is regarding the sign-in sheet at the front counter. The purpose behind the sign-in sheet is to help track our patients as they come into the office. Sign-in sheets are also a secondary way for us to keep record of the day in which you came into our office and proof that you did come in on the day marked on your workcard. By signing this consent you are giving us authorization to use your signature in this manner. You also acknowledge that by having the sign-in sheet located at the front counter your name is visible to other patients that will be signing in.
